Write a concise, accurate summary of 200-250 words, of Tim Bowling's essay. Your summary should be a paragraph or two at the most in your own words. See attached below a useful checklist. No examples, opinions, or ideas (your responses to the ideas of the author) should be in your summary. Remember that a summary is a condensation of [!]

Write a concise, accurate summary of 200-250 words, of Tim

Concise, succinct, terse all refer to speech or writing that uses few words to say much. Concise usually implies that unnecessary details or verbiage have been eliminated from a more wordy statement: a concise summary of the speech. Succinct, on the other hand, implies that the message is as originally composed and is expressed in as few words as possible: a succinct statement of the problem.
