Healing Scarred Hearts follows the story of Hayden Hoemke, who died at age twenty two due to a serious drug addiction, and his devastated family in the years following his passing. Emotional, raw and gripping, this family memoir serves as a wake-up call to America about the opioid epidemic sweeping the country, and as a symbol of hope to others experiencing loss like this.

It was an old man that made his way alone through the gloomy jungle, a wrinkled, dried up, little old man

hideously scarred and tattooed and strangely garbed, with the skin of a hyena about his shoulders and the dried head mounted upon his grey pate.
