Editorial Introduction About Qualitative Market Research: A Background to the Series Gill Ereaut, Mike Imms and Martin Callingham This series of books explains the theory and practice of qualitative market research, or commercial qualitative research.

### **An Introduction to Qualitative Market Research - PDF Free**

Flick presents forms of theory in addition to kinds of research design and types of data collection methods. The message is that ideas and arguments are as important as techniques. The emphasis on both understanding and how-to-do is refreshing. The book is a splendid introduction for any and all planning to conduct qualitative research.
