name for us, for what we are now. He called us Animorphs. I guess that's as good a name as any for what we are. Mostly, I still just feel like a normal kid you know? But I guess normal kids don't turn into elephants or bald eagles. And normal kids don't spend their free time fighting to save the world from the nightmares called Yeerks.

Series was designed to cover groups of books generally understood as such (see Wikipedia: Book series). Like many concepts in the book world, "series" is a somewhat fluid and contested notion. A good rule of thumb is that series have a conventional name and are intentional creations, on the part of the author or publisher. For now, avoid forcing the issue with mere "lists" of works possessing an arbitrary shared characteristic, such as relating to a particular place.
