Meteorology: An Educator's Resource for Inquiry-Based Learning for Grades 5-9 is written as a supplement to existing Earth and space science curricula for grades 5-9. The guide may be used in both formal and informal

### **Meteorology: An Educator's Resource - NASA**

Meteorology: An Educator's Resource for Inquiry-Based Learning for Grades 5-9 is written as a supplement to existing Earth and space science curricula for grades 5-9. The guide may be used in both formal and informal educational settings as well as at home.

### **NASA - Meteorology: An Educator's Resource for Inquiry**

A basic introduction to meteorology, including inquiry activities and instructions to build and use weather instruments for a weather station, collect data, and predict weather systems. This website, presented by NASA's Global Precipitation Measurement (GPM) mission, provides students and educators with resources to learn about Earth's water cycle, weather and climate, and the technology and societal applications of studying them.
