Access to Justice, Denial of Justice and International Investment Law 731 private entities must be afforded the opportunity to obtain redress before a court of

### **Access to Justice, Denial of Justice and International**

Law is a system of rules that are created and enforced through social or governmental institutions to regulate behavior. It has been defined both as "the Science of Justice" and "the Art of Justice". Law is a system that regulates and ensures that individuals or a community adhere to the will of the state.
