Mom Motivation | Fitness Trackers. Heather September 29, 2014 18.4k Views. ... As far as actual tracking, both bands are neck and neck in comparison, but because the Fitbit Flex can sync up with other to track food intake, it gives it the edge (if food tracking is important to you).

Mom Motivation | Fitness Trackers

A mommy track is a path in a woman's life that puts priority to being a mother. It can also specifically refer to work arrangements for women in the workforce that facilitate motherhood, such as flexible hours, but at the same time usually provides fewer opportunities for career advancement.

Mommy track - Wikipedia

A path in one's career in which one has little chance of advancement. The term implies that because one prioritizes family obligations over work obligations, one is unlikely to receive promotions or major responsibilities.
