The inception of Darwin's theory occurred during an intensively busy period which began when Charles Darwin returned from the survey voyage of the Beagle, with his reputation as a fossil collector and geologist already established. He was given an allowance from his father to become a gentleman naturalist rather than a clergyman, and his first tasks were to find suitable experts to describe ...

Many films have portrayed mental disorders or used them as backdrops for other themes. This is a list of some of those films, sorted by disorder, regardless of whether or not the disorder is portrayed accurately. For instance, though 50 First Dates presents a case of anterograde amnesia, the type depicted does not actually exist.. Similarly, dissociative identity disorder, formerly called ...
