For all UK students you should now use the New A-level guides below. At the bottom of the page I have left the old syllabus notes as I think they are more useful for the international EDXCEL A-level Chemistry course. They were not written for the international course though. New A-level 2015 The revision guides

Hello, my name is Corbett Harrison, and I built this Post-it® Note-inspired resource page for WritingFix back in 2005. When I am not teaching my own students, I share a lot of information with K-12 educators during inservice classes and summer teacher workshops; one of my favorite workshop topics to present to teachers is how to create classroom communities of responders, revisers and editors.
