

national parks planning a pdf

The national parks of England and Wales are areas of relatively undeveloped and scenic landscape that are designated under the National Parks and Access to the Countryside Act (2016). Despite their similar name, national parks in England and Wales are quite different from national parks in many other countries, which are usually owned and managed by the government as a protected community ...

National parks of England and Wales - Wikipedia

The national parks of Scotland are managed areas of outstanding landscape where some forms of development are restricted to preserve the landscape and natural environment. At present, Scotland has two national parks: Loch Lomond and The Trossachs National Park, created in 2002, and the Cairngorms National Park, created in 2003.. Unlike the national parks of many other countries, the national ...
