Journal of Plant Sciences (JPS) provides a forum for the publication of scientific research and review articles. The journal publishes original full-length research papers in all areas related to plant biology. The wide-ranging and interdisciplinary experimental approaches used are also welcomed. For publication in The Journal of Plant Sciences the research must provide a highly significant ...

The Swiss publishing business Frontiers was placed by the US librarian Jeffrey Beall on his well-known and hotly disputed list as "potential, possible or probable predatory publisher". Frontiers however was not prepared to take this lying down. The publisher's Executive Editor Frederick Fenter first tried it nicely.

To celebrate this new power pose by Frontiers, I bring below some of their most amazing articles which I stumbled upon during last months. The common feature of those articles, some of which seem more like crackpot lunacies than actual science: they all come from wealthy universities, in US, Western Europe, Japan.

Church planting is a process that results in a new (local) Christian church being established. It should be distinguished from church development, where a new service, new worship center or fresh expression is created that is integrated into an already established congregation. For a local church to be planted, it must eventually have a separate life of its own and be able to function without ...

Nhulunbuy is a township that is the sixth largest place in the Northern Territory of Australia. Nhulunbuy was created on the Gove Peninsula when a bauxite mine, and a deep water port, were established in the late 1960s, followed by an alumina refinery. At the 2011 census, Nhulunbuy had a population of 3,933 with a median age of 32.. The alumina refinery closed in May 2014, which resulted in ...

Box and Cox (1964) developed the transformation. Estimation of any Box-Cox parameters is by maximum likelihood. Box and Cox (1964) offered an example in which the data had the form of survival times but the underlying biological structure was of hazard rates, and the transformation identified this.
