Cancer represents a significant, and growing, burden on healthcare systems. This is driven, at least in part, by escalating cancer drug budgets. Loss of patent protection on biopharmaceuticals enables the development and production of similar biological medicines, or biosimilars. Biosimilars are currently available for use in oncology in the supportive care setting; the focus of biosimilar ...

In The Shadows of Glories Past Jihad for Modern Science in Muslim Societies, 1850 to The Arab Spring, 1st Edition. By John W. Livingston. The title of this volume implies two things: the greatness of the scientific tradition that Muslims had lost, and the power of the West, in whose threatening shadow reformers now labored to modernize in order to defend themselves against those very powers ...

The Inquiry Chart (I-chart) is a strategy that enables students to gather information about a topic from several sources. Teachers design the I-chart around several questions about a topic. Students read or listen to several sources on the topic and record answers to the posed questions within the I-chart. Students generate a summary in the final row.
