The No Fly List is a list created and maintained by the United States federal government's Terrorist Screening Center (TSC) of people who are prohibited from boarding commercial aircraft for travel within, into, or out of the United States. The list has also been used to divert aircraft away from U.S. airspace that does not have start- or end-point destinations within the United States.

Top Secret is the highest level of classified information. Information is further compartmented so that specific access using a code word after top secret is a legal way to hide collective and important information. Such material would cause "exceptionally grave damage" to national security if made publicly available. Prior to 1942, the United Kingdom and other members of the British Empire ...
