But while the myths from the Old Norse Eddas and sagas may not be "pure," they nevertheless contain much that certainly is an authentic product of the Viking Age " and, in any case, they're all we've got today.

Tales - Norse Mythology for Smart People

The kinds of myths most Western readers are most familiar with " classical myths, say, or the Norse myths which are the subject of this book " belong to the distant past. They can be most easily defined as stories about the gods. But both parts of this definition need some discussion. The word story, for instance, should not be passed over lightly.
