North and Central America: Countries Printables - Map Quiz Game: While Canada, the United States, and Mexico are easy to find on a map, there are 11 other countries in North and Central America that may pose more of a challenge. This printable blank map is a great teaching and learning resource for those interested in learning the geography of North and Central America.

North and Central America: Countries Printables - Map Quiz

Set in England during the time of the Industrial Revolution, North and South tackles some of the major economic and social issues of the time. Gaskell earnestly depicts the differences between the north of England and the south of England both geographically as well as through her characters.
