Microsoft Dynamics NAV is an enterprise resource planning (ERP) app from Microsoft. The product is part of the Microsoft Dynamics family, and intended to assist with finance, manufacturing, customer relationship management, supply chains, analytics and electronic commerce for small and medium-sized companies and local subsidiaries of large international groups.

Microsoft Dynamics NAV - Wikipedia

CRM software (customer relationship management software), sometimes referred to as sales force automation (SFA) software, helps businesses track and manage sales interactions in a single system of record. A CRM will record interactions between your business, prospects, and existing customers.
