A bathroom is a room in the home or hotel for personal hygiene activities, generally containing a sink (basin) and either a bathtub, a shower, or both. It may also contain a toilet. In some countries, the toilet is usually included in the bathroom, whereas other cultures consider this insanitary or impractical, and give that fixture a room of its own. The toilet may even be outside of the home in ...

Wall Mirrors. Updating the look of any room is easy when you look to wall mirrors as a dâ€™cor solution. While functional, mirrors also add light and style and can be used to make a bold dâ€™cor statement or introduce another dimension to a room; large wall mirrors can act as a focal point while a smaller mirror or grouping of mirrors adds visual interest.
